

Giving Wisely

If you are age 70 $\frac{1}{2}$ or older

you can make a tax-free distribution to Turtle Ridge Wildlife Center from your IRA. The donation must come directly from the IRA trustee or custodian but you designate the amount.

Benefits:

- Your gift would satisfy your Required Minimum Distribution that must be made at age 70 $\frac{1}{2}$.
- Because it passes directly to Turtle Ridge, you do not pay taxes on the distribution
- You experience the joy of gifting a new beginning to Oregon's wildlife.

For more information about Qualified Charitable Deductions from retirement accounts, contact your tax advisor or visit the IRS website at
